Helping Parishes to Share the Joy of the Gospel

When Bishop David was appointed to the Northampton Diocese he was challenged by the Papal Nuncio to prioritise mission to new housing estates, because this Diocese has the fastest house building programme in the country. Soon afterwards Bishop David set up the Mission Northampton Office in the Diocese and asked us to work with many others in the Diocese to 'Make Missionary Disciples Together.' Over the past 18 months a number of mission projects have already taken place and in October last year there was a two-week mission near Luton to a new housing estate. Here are a few quotes from some parishioners who got involved in that mission:

" The mission has been a time of great spiritual growth for me and it has been absolutely amazing to share it with so many wonderful people". (Warren, Luton)

" One day we were out for home visiting... One man opened the door and talked to us. He said we are God sent, at the right time - he had just lost his job and he had shoulder & neck pain, his kitchen floor was flooded with water due to a leak and he asked us for our prayer which we did right in front of his door. He was so pleased we came..." (Oliver, Luton)

" I went out this morning to hand out free coffees and doughnuts and this guy who was so appreciative of our kind gesture. Apparently he met a random lady in the street last week who told him that God loves him and now he's met me and I also told him

that God loves him so he really felt blessed and took it as a sign that God was speaking to him and drawing him closer." (Yoofi, Milton Keynes)

" I was touched by the responses from people who had received the free breakfast and the team spirit during the three mornings...One gentleman who brought his children to the Night of Light party said he was so thankful that such a mission was happening....A lady...said to me how refreshing it was to see Catholics out on the streets evangelising. She is no longer a practising Catholic but said she will now consider coming back to the Catholic faith" (Eva, Luton)

"The mission has given me the opportunity to see and use the gifts that God has blessed me with... ...I would strongly encourage and recommend anyone who is hesitant about getting involved in the mission to get involved and use their gifts to build God's Kingdom. When we give to God, he gives back a hundredfold!" (Marlyn, Luton)

At Fr Benedetto's invitation the Mission Northampton Team, along with some others who have had some previous experience with missions, will be coming to Thrapston & Raunds over the next few months.

The aim is to see how together with you we can reach out in mission to the local area to share God's love. There will be many opportunities to be involved over the coming months so please do keep a look out for upcoming meetings where more details of this exciting initiative will be shared. We look forward to meeting many of you and together with you sharing the joy of the Gospel with others.

MASS INTENTIONS

You can book an intention by writing the desired date, church and name(s) on an envelope and hand it to the priest. A Mass intention may involve an optional personal donation to the priest, which goes into the parish funds, as your parish priest receives a monthly stipend and so does not keep any 'stole fees'. If you wish, be generous as you can, for this is a small but pious contribution to our parish.

Attending Mass:

The wearing of masks whilst inside our churches is optional. Please sit where you wish, using common sense and respecting other's right to space. Communion will be administered both on the tongue or on the hand. The Sign of Peace : please bow to those around you.
